Weekly News for North Cross Youth

## Very Successful Treats & Trivia Event

Thanks to the hard work of eighteen youth, this year's Treats and Trivia was a great success. We had eleven teams with a little over eighty participants. The event earned \$685. Depending upon the hours worked, youth earned anywhere from \$17 to \$54 for the event. Those who solicited donations and worked the event will have earned the most money.

I had several adults who thanked me for a fun and enjoyable evening. Congratulations, youth, on another well-done fundraiser.

## Youth Focus Sunday - March 14

The youth group decided last week to donate 10% of the proceeds from all fundraisers over the next three years to the church's Capital Campaign. It was the consensus that the improvements and upgrades to the church will allow the church to function better both economically and environmentally. The youth are the future of this church and will see the greatest benefit from these upgrades over years to come. Youth will be asked this Wednesday to be present at the 8:30 or 11:00 service to inform the congregation of their decision and the sacrifice they have made.

## Wednesday Program

This Wednesday we will have a short introduction to the "Case For Christ" program that we will be discussing over the next few weeks. As a reward for your hard work, we will also be playing some fun games. Next week we will continue our Case For Christ program for the full Youth Nite. Also, be sure to bring your BIBLE COINS, as you will be able to purchase items with your coins on Wednesday.

## March Mission Trip Payment

Don't forget to let Vickie know if you are using your fundraiser monies to pay for your March Mission Trip payment. You can also opt to pay the \$95 payment by check or cash.

## Silent Auction Ending Sunday March 14

We will be ending the Silent Auction this Sunday at 10:30 am. Due to my commitments to the 11:00 service and Youth Focus Sunday, I am needing two or three youth and two adults who would be willing to help close the auction, collect money, and monitor giving out the gift certificates to the winners. I will be discussing this with the youth on Wednesday and would like to have all my volunteers in place at that time.
